

**Dear Customers,**

We would like to thank you for your constant support and interest in our products.

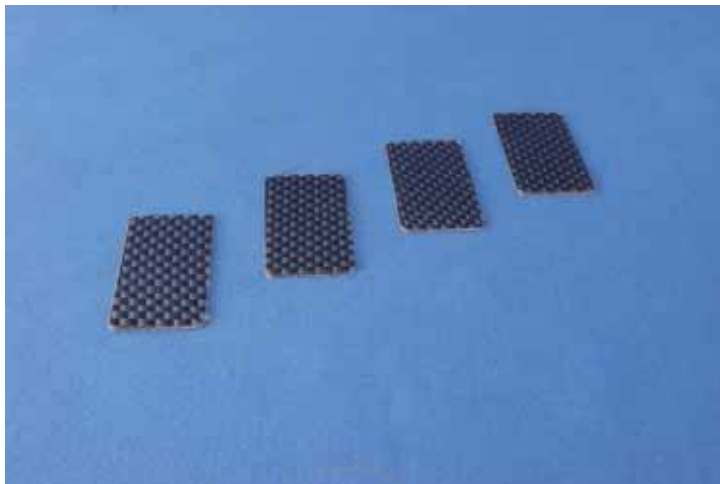

Ride would like to present the Touring Car Carbon Side Dams.

## Product Specifications:

The 1/10 Touring Car Carbon Printed Side Dams No: 27012 are IFMAR dimension approved.

These polycarbonate plates are printed with a "carbon fiber like" pattern on one side and come with strong double side tape fitted on the other side. Being sized to meet IFMAR regulations, these wing Side Dams can be used for any official race.

Sold in a set of 4 pieces.

The picture shows the application examples.
